**Ages 10-12** are allowed to wear natural makeup for stage and interview competitions. Hair extensions and eyelashes are allowed but they must be natural and age appropriate.

Choose what looks best on you and show us your personality!

Delegates should wear shoes to compliment the outfit and may accessorize in any way that they wish.

# International Delegate Info

## Non-Compete Clause/Completion of Reign

Because the job of an international titleholder requires commitment, international queens are not allowed to compete in any other pageants prior to fulfilling their duties as international queens. We will also be making a substantial commitment to our international queens, so it's only fair that they do the same. Delegates who win the Ultimate International Miss title understand that they will be required to sign an international titleholder contract, which includes this non-compete clause. International titleholders are expected to return to the 2025 International to pageant and stay for the duration of the event and crown their successor. Be sure you have read and are familiar with the rules as stated in the Titleholder Agreement that you signed upon registering for Ultimate International Miss, located on our website.

State titleholders will not be held to a non-complete clause this year, however; they should not compete at any pageants that would interfere with their commitment to compete at Internationals 2024.

## Dressing Rooms

Each delegate is allowed to have one female parent or guardian to help her in the dressing room during pageant week. The designated female will be given a pass that must be worn to gain access to the dressing room. Hair & Makeup vendors ARE NOT allowed to set up in the dressing room!

Absolutely NO PHOTOS should be taken in the dressing room. To protect the privacy of all delegates, we will take this matter seriously. Should you be caught taking a picture in the dressing room, it is grounds for immediate disqualification without a refund. DO NOT TAKE THE CHANCE!

## Hair & Makeup Vendors

Only licensed & insured hair and makeup vendors, approved by the international office, will be permitted in the hair and makeup rooms. Hair and makeup vendors are NOT ALLOWED to set up in the dressing room under any circumstances. There will be a specified area for hair & makeup for those vendors who take the proper steps to become an approved vendor. If you want your favorite vendor on our list they must apply via our website, otherwise they must do your hair and makeup in your room. You can find all approved vendors in the delegate log-in.

*Hair and makeup are NOT to be done in hotel or venue restrooms or common areas, per hotel & venue rules.*

- Was awarded the Star Character award for "Respectful" from my Elementary school 3 times
- Was honored to be nominated for my softball All Stars team

**Why I Want to Win**  
As your next International Princess I feel I would be an excellent role model for girls. I am always concerned and respectful of others feelings. I would love to represent this system and make lifetime friendships with my sister queens and expand my platform Amelia's Animal Hero Cookies. I strongly believe in inclusion and would welcome every girl with open arms to the system.

**Things I Love To Do**

- Softball
- Crafting
- Swimming
- Baking
- Dirt Biking

**Aspirations**  
I want to be a College softball athlete and after graduating a Zoologist at Disney's Animal Kingdom. As an animal activist I founded my platform, Amelia's Animal Hero Cookies. I bake and sell cookies at my softball games and also treats for dogs. All proceeds go to my local animal shelter.

**THREE FACTS ABOUT ME**

- Personally choreographed Platinum winning competition dance solo
- Created a kindness bench on my school playground

**THREE ACCOMPLISHMENTS**

- Three time North Carolina Reading Council State Young Author winner
- Toys for Tots National recognition for Christmas Board Drive
- International Baccalaureate Balance Award

**DESCRIBE ME IN THREE**

- Risk-Taker
- Open-Minded
- Communicator

**FAVORITE PART OF PAGEANTRY**  
Pageantry has helped me become the most confident version of myself. I am more of a risk taker, willing and able to speak up for myself and others. I now reach out to teachers, take initiative in class and my community, and am not afraid to be the leader in any room.

**WHAT IS SOMETHING YOU ARE REALLY GOOD AT?**  
Being an inquirer! I am someone that asks questions and listens to understand and know more. I always want to grow and learn about the world around me, be an active participant in every activity I do.

**WHY DO I WANT TO WIN?**  
Ultimate International Miss was the very first pageant system I ever participated in. Since I last competed, I have put in so much work to improve myself. I want to win UIM Preteen and show that with hard work and persistence all things are possible. I am very confident that I am now ready to be the queen that Ultimate International Miss deserves to have.
